To Whom It May Concern:

I have worked with Rod Goldberg of Beskin and Associates for the past five years. During that time Rod has searched for the best providers for our group, conducted open enrollment group meetings and provided time for individual meetings as requested by the employees. He responds quickly to inquiries no matter how small or detailed they might be. His efforts have helped keep our rates under control and have allowed us to offer a cost competitive benefit to our staff.

Rod has great enthusiasm for his job and a positive outlook. He is knowledgeable, energetic, and caring evidenced by his generosity with his time.

It would be worth your time to discuss your employee benefits needs with Rod Goldberg.

Yours truly,

Ben J. Willis III, President  
Willis Furniture Company
