To Whom It May Concern:

Mechanical Service Co. Inc. has been working with Beskin-Divers Insurance Group for several years now. Rod Goldberg brought his expertise to our company with quotes and assurance of hands on approaches to handling our company health insurance. He sold us with the first meeting with him. Since then, Rod Goldberg and his staff have stayed true to his word. He calls and emails to make sure everything is continuing to go smoothly for us. He stops in periodically to see if there is anything that he can do to help us. Rod makes sure when he is quoting us for our renewals that he is always getting us the best possible options to suit our company needs. Also, if an employee has had any trouble with the insurance Rod Goldberg is the first to come to our aide and help us get the problem resolved. I have personally worked with Rod Goldberg and his staff to specifically include Terri Franze. She has been of great help to us as well and is super-efficient in handling our paperwork for renewal and terminations and new hires. Along with Terri I also work with Leah Scott who is always pleasant and efficient to deal with. I have personally recommended Rod Goldberg to several businesses and people of the community and will continue to do so. Beskin-Divers, Rod Goldberg and his staff have become part of our Mechanical Service Co. Inc. family and we appreciate everything that he has done for us! Looking forward to another New Year of business and friendships.

Sincerely,

Trishia Curry (Bookkeeping & HR)
