

Subject: Compliment on Robbie

Mr. Beskin,

I just wanted to send you a quick email to say how happy I am to do business with you all because of Robbie Wagner.

He has been my insurance guy for some years now and he has been very consistent with what he says and what he does. When I need something, he makes an action quickly and gets back with me. The communication is very easy and he makes my life easier.

He just goes above and beyond on his customer service & satisfaction and I have been very satisfied.

It's sort of rare to see that hard working, hospitable and genuine attitude in service industry nowadays.

I am a business owner & operator and do business with other companies to support me & my company. Robbie has been a huge support to run my business and I just wanted to deliver my thoughts to you.

Thank you,
Manami Workman
